

## **GAJDA HEALTH PLUS NETWORK MISSED APPOINTMENT POLICY**

If you are unable to keep a scheduled appointment, please notify our office at least 24 hours prior to your scheduled appointment. Voice mail is available after office hours to leave a message. Failure to do so could result in a \$25.00 cancellation charge being billed to you. This also applies to telephone consultations. Please notify us of a change in your schedule as soon as possible as this allows us to make your appointment time available to other patients.

Thank you for your cooperation in this matter.

I, the patient, have read and understand the policy written above and agree to it.
